WELCOME TO LONDON SOUTH BANK UNIVERSITY EST. 1892

Welcome to London South Bank University (LSBU). For more than 125 years we have been transforming lives, businesses and communities through excellent professional education, research and enterprise.

At LSBU we are ambitious for our students and for our future. Rated Silver for Teaching Excellence (TEF), we are recognised for providing high quality teaching and learning outcomes for all.

What sets us apart from other universities is our focus on developing enterprising skills that enable our students to see opportunities in all areas of life. We empower our students to develop the knowledge, skills and attitude needed for success in work and in life.

We arm our students with the talents and resilience for a lifetime of opportunity and success. With 9 out of 10 graduates in work or further study 6 months after graduation – we are the number one London Modern University for graduate prospects. And The Sunday Times named LSBU as the University of the Year for Graduate Employment.

Today you will have the opportunity to speak to academics about the courses you want to study, tour the campus and learn about student life at LSBU.

But above all, I hope you will understand how we can help you to develop a can do, will do, go do attitude to life.

ACCOMMODATION THAT SUPPORTS YOUR STUDIES

On average, students who live on campus get better grades. Living just minutes away from the University campus, our accommodation is a great way to meet students from different backgrounds, make new friends and focus on studies.

LSBU has 1,400 single-study bedrooms in four locations close to the University – all of which provide a friendly, comfortable and secure home for you while you focus on your studies.

We have a range of rooms available to suit different budgets and all our rents are all-inclusive – so there are no hidden fees.

Come and find out more about joining one of our accommodation tours departing from K119, Keyworth Centre or attend the 'Accommodation – Your Questions Answered' session at 11.30am or 1.30pm in the Events theatre, Keyworth Centre.

AT LSBU, ENTERPRISE IS A BIG PART OF EVERYTHING WE DO.

If you want to start your own business, gain professional experience or develop key skills for your future, our award-winning support is here to help!

Enterprise is all about unlocking your potential, seizing opportunities and thinking on your feet. That's why we provide access to networks of successful entrepreneurs, funding to make your dreams a reality, and free events and workshops to grow your connections.

Come and find out why we are Entrepreneurial University of the Year by visiting the Enterprise Team in the Student Centre.

STUDENTS' UNION

London South Bank Students' Union is the centre of the student social experience providing regular weekly events for all students at LSBU.

The Union features a number of extra-curricular activities that you can get involved in, such as a wide range of sports teams, societies, and volunteering that cover cultural, political and social interests. Beyond this, the Students' Union also provides a range of services to help you with life inside and outside University. If you run into trouble you can talk to one of the specialist advisors in confidence about a range of matters.

The Students' Union is led by four elected full-time officers who ensure that our students are being properly represented. These officers don't have to be graduates; often officers interrupt their studies and take a year out and are supported by a team of full-time staff members. The Students' Union is located in the Student Life Centre building, alongside the University support services.

www.LSBSU.org

EMPLOYABILITY

"London South Bank University has an outstanding record for graduate employment. It is a shining example of all the best qualities held by the modern university sector. Year after year, the university appears close to the top of our tables for graduate employment and graduate salaries." – *The Sunday Times Good University Guide*

Meet the Employability Service in the Student Centre to find out how we can support you to secure valuable work experience, placements, prepare for interviews and help you find the job that's right for you.

And it's not just when you're graduating that you can access our services; through our new recruitment agency we'll be offering part-time jobs to support you through your study.

With 94.9% of our students in work or further study 6 months after graduating, we've helped thousands of people just like you every year to take the next step on the career ladder – and that's why we are University of the Year for Graduate Employability.

LSBU ALUMNI

Did you know there are over 200,000 former LSBU students?

That's a lot of talent, ideas and experience for you to build upon. You don't even have to wait until graduation to access these influential, real-world connections.

LSBU Alumni's global membership programme is available to all students from day one.

As a student member you'll be invited to events where you can meet and network with alumni, hear more about their careers and go further in whatever your chosen field.

YOUR ALUMNI, YOUR FUTURE.

 @LSBUalumni

There is never any substitute for hard work. Work hard and work smartly and you will get your rewards. Always focus on learning – personal and professional development is a lifetime journey and must never stop."

HEALTH AND SAFETY

All visitors are required to conform with the University Health and Safety regulations. In an emergency follow any instructions given by the building fire wardens, security staff or other appointed persons. Please make your host aware of any disability/support requirements you may have which may need to be considered in the event of a building evacuation.

No Smoking

Please note that the university is a no-smoking environment.
