

## **School of Health and Social Care**

### **Interview and selection day criteria**

#### **Sport Rehabilitation (BSc (Hons), BSc (Hons) Extended, Integrated Masters)**

The interview is an opportunity to explain face-to-face why you are the right student for the course. The format of the interview is a multiple mini interview followed by a practical/group task.

#### **Welcome**

Applicants are greeted by the teaching team/interview team who give a brief overview of the course and the facilities. They introduce themselves and set the scene for the day

#### **The Multiple Mini Interview (MMI)**

The MMI comprises of no more than six applicants moving around six individual stations to be interviewed by separate interviewers in a one-to-one interview. The starting point for each applicant is different but each interviewer will ask the same question of all six applicants in turn. Four minutes is allowed for each answer and one minute for moving between stations. The interview team will be led by admissions tutors in sport rehabilitation with additional support of key [People's Academy](#) representatives.

The first interviewer will ask a starter question so your time with them will be eight minutes.

#### **Questions:**

Generic Question - Why do you want to become a Graduate Sports Rehabilitator?

Question 1 - Team working

Question 2 - Values based scenario

Question 3 - Problem solving question.

Question 4 - Clinical scenario to problem solve

Question 5 - Professional working scenario

Question 6 - Scenario to problem solve.

All MMIs have been mapped against the University EPPIC values, the NHS Core values as well as Sport Rehabilitation regulatory body Role Delineation Document.

These documents are available at:

LSBU Values: <http://www.lsbu.ac.uk/jobs/our-values>

NHS Core Values: <https://www.england.nhs.uk/2014/02/nhs-values-in-action/>

BASRaT Role Delineation Document: <https://www.basrat.org/home/roleofsportrehab>

University**

FST 1892

### **Practical group task**

Scenario and problem based team working. Students are given an example of a clinical scenarios and asked to discuss in a group the criteria they would use to decide priority for treating.

### **Question and Answer Session**

At the end of your interview you will be given an opportunity to ask the team any questions you may still have.

### **Documents to bring**

- Your identity will be checked against your passport or driving licence. You must bring one of these documents with you to your interview. If you forget we will not be able to interview you.
