Terms and Conditions

The University has developed the Sports Scholarship Programme to ensure students who qualify to study at London South Bank University and perform at the highest level of sport are actively supported in meeting the many challenges they will face.

The programme is seen as a partnership between the Sports Scholar and the University and as such this document is produced to outline each partner's commitment.

Conditions to be fulfilled

1. Scholars will be expected to contribute to the relevant Sport and will be expected to represent the University in all relevant sporting competitions and other events. In some circumstances this requirement may not be appropriate or possible and can be waived by agreement.
2. Scholars will be asked to act as a representative of the University, maintain or improve their sporting performance and satisfy the University with their academic progress.
3. Scholars will be required to produce an annual report giving details of their sporting achievements over the past year. This report should contain details of how any financial award was used. This report shall be taken into account when renewal of the award is under consideration.
4. Scholars shall provide help in promoting the sporting profile of the University in any way seen fit by the University. Scholars are asked to submit publicity photographs upon joining the scheme and to supply more as appropriate throughout the year.
5. Scholars will be expected to attend the Sports Awards and other promotional events held by the wider Academy. This may be waived by agreement.
6. Any other duties as in accordance with the above, as requested with the Programme Manager.
7. Failure in any of these areas, without good cause, will result in termination of the scholarship agreement.

Administration

1. Membership of the Programme is for a one-year period only. All applicants are required to reapply each academic year.
2. Membership of the Programme is decided by the LSBU Active management against set criteria.
3. Having applied to the Programme using an application form, new applicants will be contacted by the Senior Sports Development Officer to discuss their application. Existing members can re-apply over the summer and will be contacted in advance of the academic year (subject to results).
4. The award of places on the Programme is granted and renewed by the LSBU Active management team. The decision of LSBU Active management on all applications is final.
5. Scholars qualifying for the personal liaison officer service will be allocated an officer whose job it will be to offer day-to-day support and advice.

Services provided through the programme

A detailed summary of the benefits available to members of the programme can be found overleaf. If you have any queries concerning the Programme please contact:

Eligibility criteria

In general, criteria for students are as follows:

- National or International level performance in any individual sport.

Please note:

- If you are an international applicant, the above criteria may vary depending on your nationality, and your performance level will be assessed in comparison with a GB performer.
- Funding will be prioritised for applicants competing in individual sports at international level. Applications for all individual sports are actively encouraged and will be considered on a case by case basis against the above criteria.
- Funding will also be prioritised for those competing in current BUCS Sports and your performance level will be compared to previous competition medalists.

Summary of Benefits
