Get the most out of Open Day

There are plenty of opportunities to ask questions throughout the day – from accommodation to subjects to the Students' Union, we've got you covered.

These will cover topics such as how the course is taught, industry links, career prospects and more. You will get to meet other people who are interested in the same subject as you and who may even end up being your course mates in a year or two!

Food and chill-out spaces

Asking questions, moving around campus and meeting lots of new people can be exhausting, so we have various cafes and canteens open for you to rest and recharge.

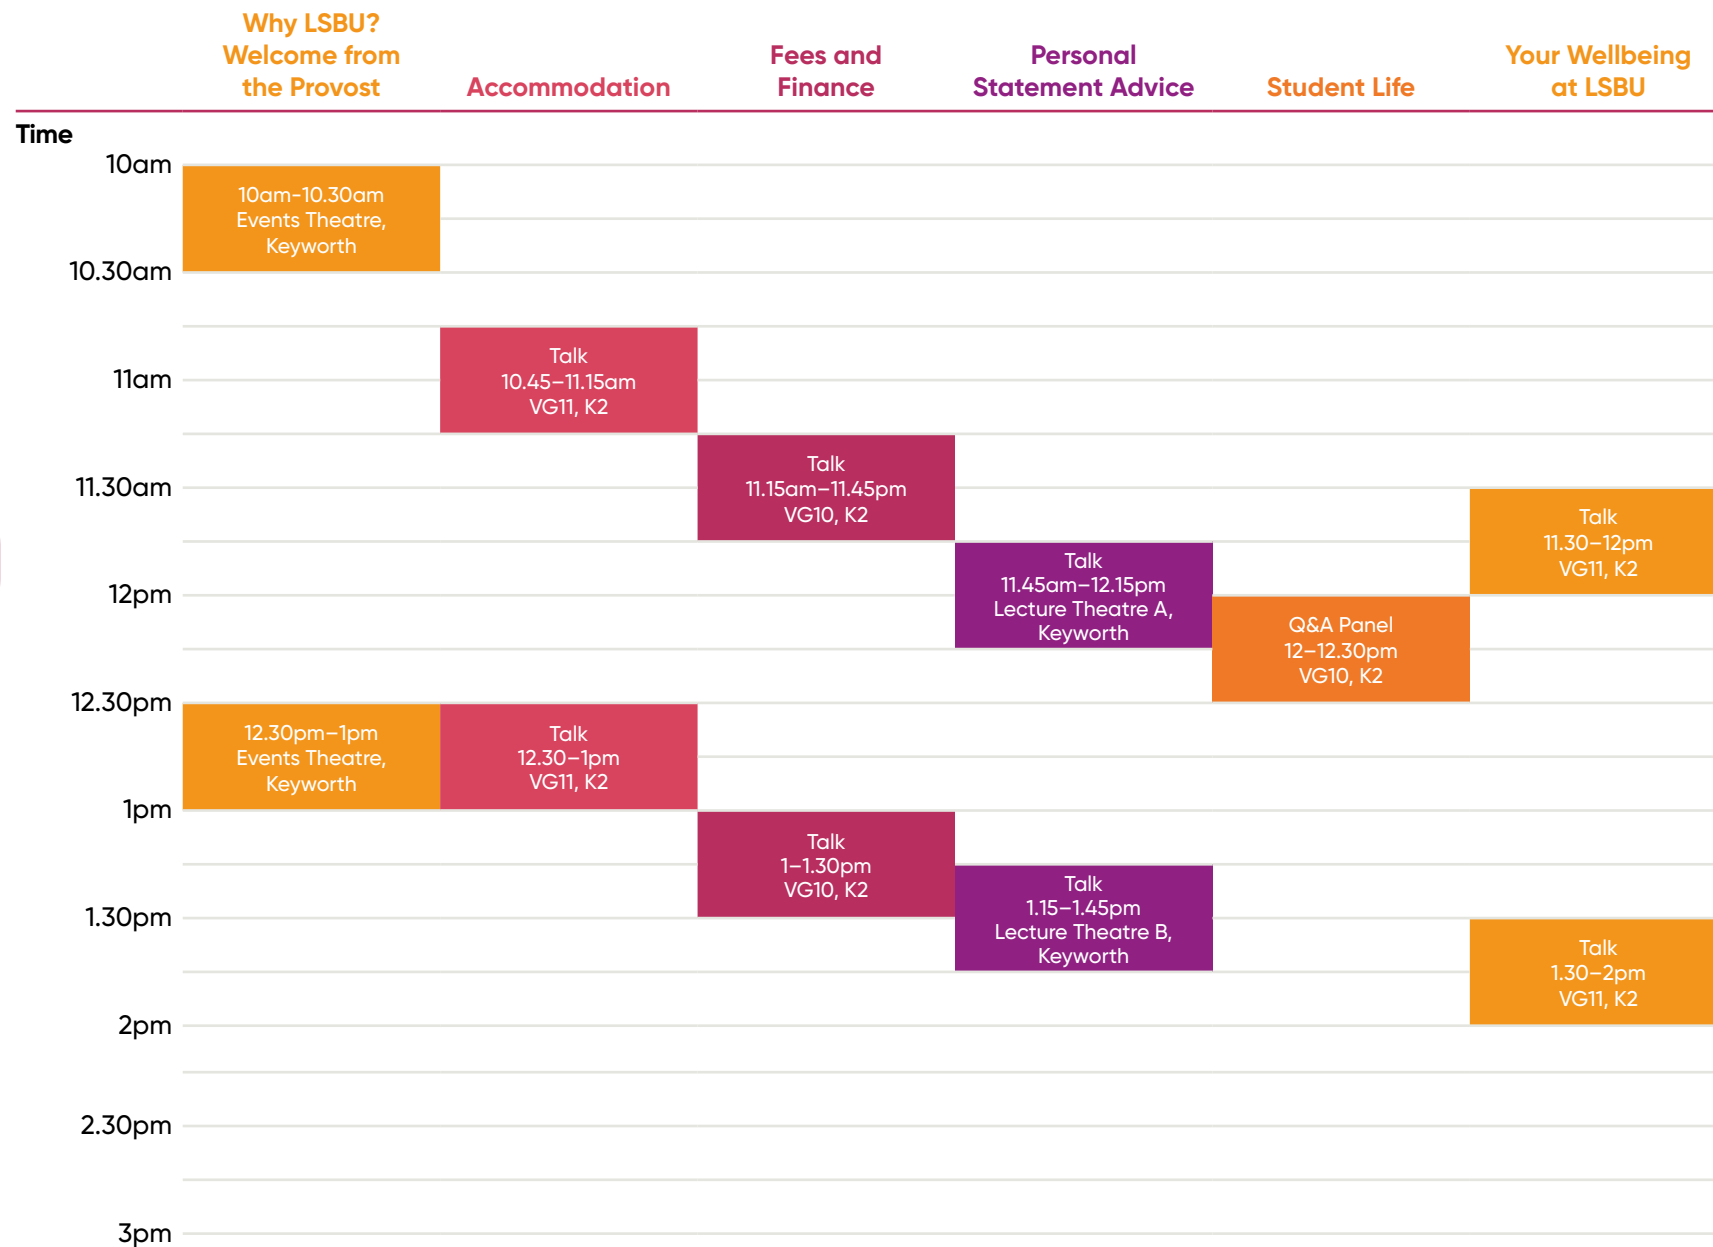

Food and drinks:

- Breakpoint café – Ground floor, Keyworth, Keyworth Street
- Café Geo – Ground floor, K2, Keyworth Street
- Grads – First floor, Student Centre, Borough Road

If you need a quiet place to sit and rest head over to room V608 in the K2 building, Keyworth Street. This is one of our multi-faith and no faith spaces on campus for staff, students and visitors to recharge physically and mentally.
