

Written resolution of the **Major Projects and Investment Committee**  
of London South Bank University  
passed on Monday, 17 August 2020

1. **Declarations of interest**

No interests were declared.

2. **Implementation partner contracting authorisation**

The committee considered the proposed contract signature with PwC as the technology implementation partner to the value of [REDACTED] in line with the approved business case.

The committee noted the implementation partner procurement strategy and the core activities of the implementation partner.

The committee noted that the Board of Governors, at its meeting of 16 July 2020, had delegated approval of the implementation partner to MPIC, subject to the value of the contract being in line with the business case. The committee noted that the Executive had confirmed that the contract value of [REDACTED] was in line with the approved business case.

The committee approved the appointment of PwC as implementation partner and authorised the contract signature to the value of [REDACTED].
