

Hackathon FAQs

General

Do I have to be a student to participate in the hackathon?

Q: Do I need coding skills to join this hackathon?

A: Although we need strong developers, we are looking for a variety of skills for each team as per below:

1. Developer
2. Business Analyst
3. Data Analyst/Scientist
4. Application Designer/Architect
5. Hackathon Mentor

Q: What kind of skills do I need to join Hackathon?

A: See above.

Q: Can I join even if I am not a student?

A: Recent graduates can join hackathon teams. Any member of the public can be an attendee.

Q: What do I need?

A: Hackathon team members will need a laptop with a camera and microphone to participate.

Team Membership

Is there is a registration fee for joining?

A: No, the event is free.

Who owns the IP for the work developed during the hackathon?

A: The students will own 100% of the IP for their work.

How many members in a team?

A: There is no limit.

Q: I don't have a team, can I still come?

A: Yes! We will run a team building activity at the start of the day to allow everyone to find teammates with complementing skills.
