

Equal Opportunities Information

Policy	
<p>The University is committed to equality of opportunity both as an employer and as an educational institution. Equality of opportunity means working to ensure that no student nor member of staff receives less favourable treatment on the grounds of race, gender, age, ethnic or national origin, disability, marital status, sexual orientation, care responsibility, HIV status, trade union activity, political or religious belief. The University reserves the right to add further categories to these groups.</p>	
Monitoring	
<p>Ensuring the equal opportunities policy is effective, necessitates the collection of demographic information, e.g. ethnic origin, gender, and disability. Please note that demographic information is not used as part of any selection process and will be used for statistical purposes only. The ways in which the University may use this information are contained in the Register of Entries available from the Information Access and Records Manager, LSBU, 103 Borough Road, London SE1 0AA.</p>
