- Top-up programme (Typically 1 yr)
- Masters (1-2 yrs)
- PhD/Research (3-5 yrs)

AWARD-WINNING STUDENT SUPPORT

Over £65 million invested into infrastructure, learning and study and support zones (health, wellbeing disability & dyslexia support,...)

- Accommodation
- Disability and dyslexia support
- Employment and career advice
- Financial advice
- Mental health and wellbeing support
- General advice (GP, bank, legal,etc...)
- Students' Union & LSBU Active (societies, activites, clubs, fitness,...)

5 REASONS

to study at LSBU

1.

Our Location

London South Bank University is based on an integrated campus in central London, just 10 minutes' walk from the city's business and cultural centres and from mainline rail stations at Waterloo and London Bridge.

2.

Employability and Enterprise

Our students regularly secure coveted internships and graduate placements with market leaders such as PwC, Goldman Sachs, KPMG and Ogilvy.

3.

Affordable Accommodation

London South Bank University offers accommodation a short walk from its main campus in the Elephant and Castle area of London. Rent prices are among the most affordable in the capital.

4.

Award-winning Student Support

Our dedicated student support team offers first-class support, from health and wellbeing to technology, available from the moment you are offered a place through to graduation.

5.

Scholarships and fee discounts

We have committed over £1m in financial support to help well-qualified students, including a wide range of scholarships and discounts for international students and alumni.

OVERVIEW OF LSBU SCHOOLS

- School of Applied Science
- School of Arts & Creative Industries
- School of Built Environment and Architecture
- School of Business
- School of Engineering
- School of Law & Social Sciences
- Institute of Health & Social Care

SCHOOL OF APPLIED SCIENCES

The screenshot displays the LSBU Course Finder web application. The header includes the LSBU logo, navigation links for 'News / Events', a search icon, and a 'Login' button. A 'Filter by:' sidebar on the left lists categories: Subject, Method of Study, Start date, School, and Location, each with a dropdown arrow and a 'Clear' button at the bottom. The main content area shows a 'Loading...' message above two course cards. The first card is for 'Chiropractic | London South Bank University', categorized as 'UNDERGRADUATE'. It includes a description: 'Chiropractic is a health care profession concerned with the diagnosis, treatment and prevention of mechanical disorders of the musculoskeletal system. This is a four-year integrated Masters.' and a 'View course' button. To the right of the card is a 'Key Course Information' table. The second card is for 'Health and Social Care | London South Bank University', categorized as 'UNDERGRADUATE, FOUNDATION'. It also has a 'View course' button and a 'Key Course Information' table. The interface includes view toggles for 'Detailed View' and 'List View', and a 'Sort by' dropdown menu.
